PROJECTS (ALL AVAILABLE IN GITHUB)

Shopping Card Application

- As a graduation project at BilgeAdam, I developed a shopping card program for e-commerce websites and enabled customers to order from the website.
- Access my project [here](#).

RELATED EXPERIENCE

Yeşil Esenyurt Soccer Club

Feb 2018 - Jan 2020 Social Media Coordinator

- I have worked as the social media coordinator of a soccer club, keeping the data in social media accounts up to date. I also shared photos I prepared on certain days and times on the club's social media accounts.

Bilge Adam

June 2005 - April 2008

Student

- I successfully completed the .NET course organized by Bilge Adam. I learned c, mvc5, html, css, javascript, uipath.
